WHAT CAN ONE MAN DO?

Romans 5:12-21

February 26, 2017

This week we are going to look at some very important areas of biblical truth which help us understand how it is that God can "impute" righteousness (reckon one to be righteous) to those of us who believe. The theme of this passage of Scripture seems to be this: Just as we are lost through our relationship to one individual, namely Adam, so too are we saved through our relationship with one individual, namely Christ.

1. What does Paul state about sin and death in verse 12?

2. What do we learn about sin and the Law and Adam in verses 13-14?

3. How does Paul **contrast** Adam's transgression and the work of Christ in verses 15-17?

4. How does Paul **compare** the results of Adam and Christ's actions in verses 18-19?

   ADAM *CHRIST*

5. What is Paul's verdict on the Law vs. Grace? (vs.20-21)
