LIVING ON DAYLIGHT SAINT'S TIME, PART 2

ROMANS 12:1-2, 13:7-14

FEBRUARY 25, 2018

This is a continuation of last Sunday's sermon. It's based upon the same passages of Scripture. However, the focus is a bit different. So give careful attention once again to what Paul has written as well as our pastor's sermon for this week. Then you will be prepared to tackle these questions.

1. Some people think that believing in Jesus and becoming a more mature Christian is just about all that is required. Is there anything else which Christ expects from us? Take a look at 1 John 2:4-6 and ask yourself, "Is there something else in which we should be engaged?"
2. In light of the things that have recently transpired in our nation, do you think that the forces of darkness are growing stronger or weaker? Do you think that the time has come for God's people to stand for what we believe instead of just going along with what is happening around us?
3. In Romans 13:12-14, Paul tells us to do three things. He says that we must clothe ourselves in Christ, put on the armor of light, and make no provision for the flesh. How will doing these three things help us to become the kind of people who are not only capable of withstanding the forces of evil, but who also exemplify what it really means to be a Christian?
4. In his sermon our pastor presents three ways in which we can receive strength and guidance as we seek to become the kind of people who are garbed in Christ, who are properly fitted with the armor of light, and who are behaving decently, as in the daylight. What are they and are you practicing them in your daily walk with the Lord?
